Folks: My personal thanks all around for responding quickly today and getting signatures delivered to me. Alas, the one signature I could not collect today was from my own client, which I missed by five minutes. After briefly considering extreme measures (e.g., chasing people onto ferry boats), I will try to wait until Monday morning, upon which I have a verbal commitment for EPA signature.

Have a great weekend.

Cliff Villa
Assistant Regional Counsel
U.S. EPA Region 10
